The State of Florida requires that sales tax be charged on the sale of electricity unless it is sold for exempt purposes. The main exempt purpose is:
Residential household use; if any part of the power is for non-exempt purposes, then tax must be paid.
By my signature I declare that the use of electricity at this property is **exclusively** for residential use.
I understand if the usage changes, it is my responsibility to notify CHELCO.

I understand that if additional facilities must be constructed to serve a requested location the cooperative will provide me with a Work Proposal and I must pay the required Cost In Aid to Construction (CIAC). Proposals are valid for 90 days, and total CIAC must be paid prior to installation of CHELCO facilities. Any deviation from Facilities agreed upon, including but not limited to, changing the closest point of attachment (POA) or changing the facilities from overhead to underground will result in additional CIAC. All facilities installed and maintained by CHELCO, are and will remain the sole property of CHELCO. Furthermore, I understand that said facilities may be removed at the discretion of the cooperative after the premise has remained idle for a term greater than 11 months.
