

CHELCO

A Touchstone Energy® Cooperative

Commercial Rates

Charges to begin service include a one-time membership fee (which is refunded when your membership with the cooperative is terminated), a service charge and an interest bearing deposit.

Membership Fee:

\$5

Security Deposit (min.):

\$150 *(or twice the average monthly bill, whichever is greater)

* The security deposit required is based on electrical load and consumption. Should you choose to pay the deposit required in cash, interest will be earned on the funds held, and credited to your account annually each December. Alternatives to a cash deposit are a surety bond or a bank guarantee for the proper value. Contact CHELCO for the value of the security deposit required.
