The State of Florida requires that sales tax be charged on the sale of electricity unless it is sold for exempt purposes. The main exempt purpose is for residential household use. If any part of the power is for non-exempt purposes, then tax must be paid.

By my signature, I declare that the use of electricity at this property is **exclusively** for residential use.

I understand if usage changes, it is my responsibility to notify CHELCO.

Operation Round Up

One of the many ways CHELCO serves our local communities is by donating to charities and nonprofit organizations through a program called Operation Round Up (ORU). Participating CHELCO members have their bills rounded-up to the next dollar, and those extra cents each month (an average of 50¢ per month/\$6 per year) funds ORU. You are automatically enrolled unless you opt out of the program by checking the box below. You may opt out at any time. Our customer service representative can provide you with additional information.

I do not wish to participate in Operation Round Up.

Special Needs Registry

CHELCO cannot guarantee uninterrupted service nor can we assign a priority status to individual residential accounts, including for members who have electric-powered medical devices. The State of Florida offers a voluntary Florida Special Needs Registry. This registry informs first responders of special medical needs if an evacuation is warranted. Please call the agency in your county:

- Holmes: (850)547-1112 ● Okaloosa: (850)651-7150 ● Santa Rosa: (850)938-5360 ● Walton: (850)892-8065

I understand that CHELCO does not guarantee uninterrupted service nor prioritizes restoration by individual needs for power.

Request for Credit Inquiry:

As Choctawhatchee Electric Cooperative, Inc. (CHELCO) requires a credit check before waiving security deposits, the undersigned consents and authorizes CHELCO to obtain a consumer credit report on the undersigned for such purpose.
